CODEQUEST 2025 – Let the Code Speak!

Hosted by the Department of Electronics & Communication
Venue: EC Branch Seminar Hall
Date: [27:10:2025]

Registration

• Timings: 9:00 AM – 9:30 AM
• Location: In front of EC Seminar Hall
• Note: Any one team member register on behalf of their teams.

Inauguration Ceremony

Starts at: 9:30 AM
Join us for an exciting start filled with energy, inspiration, and innovation!

Round 1 – Debugging (Python)

Start Time: 10:00 AM
Time Limit: 15 minutes
Marks Weightage: 25%
Task: Fix errors in 3 given Python programs and show error-free output.
☐ Fastest correct submission earns higher marks!

Round 2 – Blind Coding

Start Time: 10:30 AM
Time Limit: 30 minutes (15 minutes per pattern)
Marks Weightage: 25%
Task: Code two pattern problems without seeing the output.
☐ Closest or correct output wins more marks. Output will be displayed on the screen after the round is completed

Round 3 – Project Expo

Start Time: 11:15 AM
Presentation Time: 10 minutes for each team (5 minutes PPT, 5 minutes for explanation + judges' Q&A)
Marks Weightage: 50%
Projects may be from any domain.

Judging Criteria:
• Innovation & Uniqueness
• Environmental/User Benefit
• Future Scope
• Presentation Skills & Time Management
• Technical Depth & Q&A Performance

Important Information

• Team size must be max of 4 members.

• No elimination after any round — every team competes in all rounds!
• Overall performance determines the winners.
• Participants carry college ID card. NO dress code (participates can appear in civil or uniform)
• Be ready with your PPT and project before the event.
• Every participant receives a Certificate of Participation.
• Top teams will get exclusive **internship and job opportunities! With exiting price amount.**

TEMPLATE FOR PRESENTATION

Slide 1: Institution logo ,project title ,team name , one line tag line , members name.

Slide 2: Problem - One clear sentence describing the problem-Why it matters (brief stat or real-world example).

Slide 3: Solution Your idea in one or two sentences-row it uniquely solves the problem.(can add flow chat or working flow etc)

Slide 4: Market & Audience. Who will use your solution? - Quick market size or opportunity point .

Slide 5: Why You? - Key differentiator (better than existing options) - One main strength of your team.

Slide 6: Closing Impact of your idea in one sentence , still any improvement or what to next.

☐ **Don't just code — make an impact!**
☐ **Register early and show your coding power at CODEQUEST 2025! And Explore your project**
