## **CODEQUEST 2025 – Let the Code Speak!**

Venue: EC Branch

Date: 06/10/2025

### **Round 1 – Debugging (Python)**

Start Time: 9:00 AM

Time Limit: 15 minutes

Marks Weightage: 25%

Task: Fix the errors in two given Python programs and display the correct output.

#### **Instructions:**

- Fastest correct submission earns higher marks.
- Tool to be used: Visual Studio.

### **Round 2 – Blind Coding**

Start Time: 9:30 AM

Time Limit: 30 minutes (15 minutes per pattern)

Marks Weightage: 25%

Task: Write code for two pattern problems without seeing the output.

#### **Instructions:**

- The closest or correct output earns higher marks.
- The output will be displayed after the round ends.
- Tool to be used: Visual Studio.

## Round 3 – Project Expo

Start Time: 10:15 AM

Presentation Time: 10 minutes per team (5 minutes for PPT and 5 minutes for explanation + judges' Q&A)

Marks Weightage: 50%

Projects may belong to any domain.

### Judging Criteria:

- Innovation and Uniqueness
- Environmental or User Benefit
- Future Scope
- Presentation Skills and Time Management
- Technical Depth and Q&A Performance

### Important Information

**Registration Fee: ₹400 per team , amount will not be refundable.**

**Top teams will earn exclusive internship and job opportunities along with exciting prizes.**

- Each team can have a maximum of 4 members.
- There will be no elimination after any round — all teams participate in every round.
- Overall performance determines the winners.
- Participants must carry their college ID card.
- No dress code – participants may wear casual or uniform attire.
- Be ready with your PPT and project before the event.
- Every participant receives a Certificate of Participation.

## Presentation Template

- Slide 1: Institution logo, project title, team name, one-line tagline, and members' names.
- Slide 2: Problem – One clear sentence describing the issue and why it matters (include a brief statistic or real-world example).
- Slide 3: Solution – Describe your idea in one or two sentences, explaining how it uniquely solves the problem (add a flowchart or working model if desired).
- Slide 4: Market & Audience – Identify your target users and the market opportunity.
- Slide 5: Why You? – Highlight what makes your solution stand out and your team's key strength.
- Slide 6: Closing – Explain the impact of your idea in one sentence and suggest future improvements or next steps.

**Don't just code — make an impact!**

**Register early and demonstrate your coding excellence at  
CODEQUEST 2025.**

**Unleash your creativity, innovation, and teamwork through  
your project.**
